## Pastor's Corner

**Gregory of Nyssa**, also known as **Gregory Nyssen** (Greek: Γρηγόριος Νύσσης; c. 335 – c. 395), was bishop of Nyssa from 372 to 376 and from 378 until his death. He is venerated as a saint in Roman Catholicism, Eastern Orthodoxy, Oriental Orthodoxy, Anglicanism, and Lutheranism. Gregory, his elder brother Basil of Caesarea, and their friend Gregory of Nazianzus are collectively known as the Cappadocian Fathers.

### From a treatise on Christian Perfection by Saint Gregory of Nyssa, bishop

(PG 46, 283-286)

#### *Christ should be manifest in our whole life*

The life of the Christian has three distinguishing aspects: deeds, words and thought. Thought comes first, then words, since our words express openly the interior conclusions of the mind. Finally, after thoughts and words, comes action, for our deeds carry out what the mind has conceived. So when one of these results in our acting or speaking or thinking, we must make sure that all our thoughts, words and deeds are controlled by the divine ideal, the revelation of Christ. For then our thoughts, words and deeds will not fall short of the nobility of their implications.

What then must we do, we who have been found worthy of the name of Christ? Each of us must examine his thoughts, words and deeds, to see whether they are directed toward Christ or are turned away from him. This examination is carried out in various ways. Our deeds or our thoughts or our words are not in harmony with Christ if they issue from passion. They then bear the mark of the enemy who smears the pearl of the heart with the slime of passion, dimming and even destroying the luster of the precious stone.

On the other hand, if they are free from and untainted by every passionate inclination, they are directed toward Christ, the author and source of peace. He is like a pure, untainted stream. If you draw from him the thoughts in your mind and the inclinations of your heart, you will show a likeness to Christ, your source and origin, as the gleaming water in a jar resembles the flowing water from which it was obtained.

For the purity of Christ and the purity that is manifest in our hearts are identical. Christ's purity, however, is the fountainhead; ours has its source in him and flows out of him. Our life is stamped with the beauty of his thought. The inner and the outer man are harmonized in a kind of music. The mind of Christ is the controlling influence that inspires us to moderation and goodness in our behavior. As I see it, Christian perfection consists in this: sharing the titles which express the meaning of Christ's name, we bring out this meaning in our minds, our prayers and our way of life.

**Knights of Columbus**

**Father Francis A. Friend Council 8295, Anderson, South Carolina**

Dear Family, Friends and Parishioners of Saint Joseph’s Catholic Church and St. Mary of the Angels Catholic Church. Many of you have asked, “What do the Knights of Columbus do?” This note has three purposes: 1 – To inform you of all those we help annually; 2 – To explain what we do to make it happen, and; 3 - To invite all Catholic men who may not be members to call and find out what we are about.

The Knights of Columbus Council 8295 of Anderson supports many charitable organizations and activities throughout the year. We are Catholic men who work diligently to demonstrate our faith supporting our basic KofC principles of charity, unity, and fraternity. You probably know many of us, you have seen us working at events, you may even have participated—but few of you actually have a good idea of the many people and organizations we assist each year, mostly in the Anderson area, and how we obtain the funds to do that.

*Take a look at what we do and give us a call to join the Knights of Columbus or find out how you can help. You do not need to attend all meetings or participate in all activities but you will be supporting your faith and parish.*

## **WHAT**

Congress is trying to force Americans to pay for abortion.

## **HOW**

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years. Now, powerful members of Congress want to take away these laws that *both* Democrats and Republicans have supported for nearly half a century.

## **WHAT HAPPENS WITHOUT THESE PROTECTIONS?**

*Billions* of taxpayer dollars could be used to pay for abortion.

## **TAKE ACTION**
