*The conversion story of
Steve Ray
(who spoke here
In November)*

Our May 4th selection

An exhilarating conversion story of Steve Ray, a devout Baptist, who relates how he overcame his hostility to the Catholic Church by a combination of serious Bible study and vast research of the writings of the early Church Fathers. In addition to a moving account of their conversion that caused Ray and his wife to "cross the Tiber" to Rome, he offers an in-depth treatment of Baptism and the Eucharist in Scripture and the ancient Church.
