FINANCIAL AID:

- Families must apply **on time** to the ESTF program and to the SJCS FACTS Grant & Aid before the school can determine eligibility for additional financial aid. Verification of scholarship or waitlist for the ESTF must be provided to school.
- School based financial aid will only be considered for the portion of **FACTS Grant & Aid-determined need** that exceeds the **$7,795 ESTF scholarship amount.**
- If a qualifying family does not receive the ESTF scholarship (verification of waiting list must be provided to the school), they remain eligible for all applicable tuition discounts and may be awarded school-based financial aid based on their **FACTS Grant & Aid-determined need**, subject to availability. Funds are **limited** and qualifying for an amount does not guarantee that the full amount will be awarded.
- The school will base aid decisions **solely on determined financial need**, not on how a family chooses to allocate their ESTF scholarship.
- All scholarships or financial aid will be applied to the **full published tuition rate.** Any eligible remaining discount can then be applied. Student fees are non-refundable and are ineligible for discount.
- **At no time will the school issue cash refunds for ESTF scholarships.**
